

Curriculum Vitae

Julie Walsh-Messinger, Ph.D.

Department of Psychology
University of Dayton
300 College Park
St. Joseph's Hall, Room 317
Dayton, OH 45469-1430

Office Phone: (937) 229-1380
E-Mail: jmessinger1@udayton.edu

Education

- 2013 Ph.D. **Clinical Psychology** (APA Accredited)
Long Island University, Brooklyn, NY
- 2009 M.A. **Psychology**
Long Island University, Brooklyn, NY
- 2006 M.A. **Counseling Psychology**
Boston College, Chestnut Hill, MA
- 2004 B.A. **Human Development**
Boston College, Chestnut Hill, MA

Internship and Postdoctoral Training

- 2013 – 2015 **Postdoctoral Fellowship in Mental Illness Research and Treatment**
Mental Illness Research, Education, and Clinical Center (MIRECC), James J Peters VA Medical Center & Department of Psychiatry, Icahn School of Medicine at Mount Sinai, New York, NY
- 2012 – 2013 **Clinical Internship** (APA Accredited)
Department of Psychiatry, Massachusetts General Hospital & Harvard Medical School, Boston, MA

Faculty Positions

- 2015 – Present **Assistant Professor** (tenure-track)
Department of Psychology,
University of Dayton, Dayton, OH
- 2015 – Present **Clinical Assistant Professor**
Department of Psychiatry
Wright State University Boonshoft School of Medicine, Dayton, OH
- 2015 – 2017 **Adjunct Assistant Professor**
Department of Psychiatry
NYU School of Medicine, New York, NY
- 2014 – 2015 **Adjunct Professor**
Department of Psychology
Long Island University, Brooklyn, NY

Research Experience

- 2015 – Present **Director**
Psychopathology, Personality, and Affective Science (PPAS) Lab
Department of Psychology, University of Dayton, Dayton, OH
- 2013 – 2015 **Post-doctoral Fellow**
Mental Illness Research, Education, and Clinical Center
James J Peters VA Medical Center, Bronx, NY
Mood and Personality Disorders Research Program
Department of Psychiatry, Icahn School of Medicine at Mount Sinai, New York, NY
Mentors: Erin Hazlett, Ph.D. & Marianne Gooman, M.D.
- 2012 – 2013 **Clinical Fellow**
Psychological Evaluation and Research Laboratory (PEaRL)
Department of Psychiatry, Massachusetts General Hospital, Boston, MA
Director: Mark A. Blais, Psy.D.
- 2008 – 2011 **Graduate Assistant**
Community Violence Victimization Lab
Long Island University, Brooklyn, NY
Director: Sara C. Haden, Ph.D.
- 2007 – 2012 **Research Coordinator/Clinical Rater**
Institute for Social and Psychiatric Initiatives (InSPIRES)
NYU School of Medicine/Bellevue Hospital, New York, NY
Director: Dolores Malaspina, M.D., M.S.P.H.
- 2006 – 2007 **Project Manager**
Center of Prevention and Evaluation (COPE)
Columbia University/New York State Psychiatric Institute, New York, NY
Director: Cheryl Corcoran, M.D.

Awards and Honors

- 2014 Early Career Travel Award, Society for Personality Assessment
2013 Dissertation Award, Department of Psychology, Long Island University
2010 Lagerspetz Award, International Society for Research on Aggression
2010 Student Research Award, Association for Psychological Science

Grants

Funded

- 2019 University of Dayton Research Council Summer Fellowship & Grants-in-Aid
Olfactory function, theory of mind, and sex effects in individuals with schizotypy
Principal Investigator: Julie Walsh-Messinger, PhD
\$6,482
- 2018 University of Dayton Research Council Summer Fellowship & Grants-in-Aid
Affective response to odor and aggression in schizophrenia
Principal Investigator: Julie Walsh-Messinger, PhD
\$6,500

- 2017 – 2018 University of Dayton STEM Catalyst Grant
Fostering increased independence and health outcomes for older adults: Development and adoption of a smartWalker
Co-Principal Investigators: Kimberly Bigelow, PhD, Kurt Jackson, PhD, Timothy Reissman, PhD & Julie Walsh-Messinger, PhD
\$33,080
- 2017 University of Dayton Research Council Summer Fellowship & Grants-in-Aid
Affective processing, olfaction, and schizophrenia
Principal Investigator: Julie Walsh-Messinger, Ph.D.
\$6,456
- 2017 Society for Personality Assessment Student Research Grant
A confirmatory factor analysis of normative and pathological personality traits in a community sample
Principal Investigator: Lisa Stone
Role: Faculty Mentor
\$500
- 2016 UD Research Council Summer Fellowship & Grants-in-Aid
Neuroinflammation in the anterior cingulate cortex and affective disturbances in schizophrenia
Principal Investigator: Julie Walsh-Messinger, Ph.D.
\$5,657

Submitted

- 2018 National Institute of Mental Health R01
Novel behavioral and neural markers of social dysfunction in schizophrenia
Principal Investigator: Dolores Malaspina, MD & Daniela Schiller, PhD (Co-PIs)
Role: Co-Investigator/Subcontract PI
\$2,211,022
Status: Not funded
- 2018 National Institute of Health R15
Optimizing walker design to enhance user positioning and posture to reduce fall risk
Principal Investigator: Kimberly Bigelow, PhD
Role: Co-Investigator
\$250,000
Status: Not funded

Publications

**indicates student/mentee coauthor*

Peer-Reviewed Publications

(2013, March). *The effect of cognitive impairment on PAI profile validity and response style*. Paper presented at the 75th meeting of the Society for Personality Assessment, San Diego, CA.
38. Frankel, M. R., Stein, M. B., Sinclair, S. J., Slavin-Mulford, J., Malone, J., Lowmaster, S. E., **Messinger, J. W.**, & Blais, M. A. (2013, March). *Thematic Apperception Test (TAT) narratives and level of personality organization*. Poster presented at the 75th meeting of the Society for Personality Assessment, San Diego, CA.
39. Antonius, D., Sinclair, S. J., Shiva, A. A., **Messinger, J. W.**, Maile, J., Siefert, C. J., Belfi, B., Malaspina, D., & Blais, M. A. (2013, March). *Exploratory and confirmatory analyses of the reactive and instrumental aggression Personality Assessment Inventory (PAI) scales*. Paper presented at the American Psychology-Law Society annual conference, Portland, OR.
40. Malaspina, D., Keller, A., Antonius, D., Perrin, M., Opler, M., Ahn, H., Kleinhaus, K., **Messinger, J. W.**, Goetz, R., & Harlap, S. (2012, April). *Advanced paternal age contributes to a specific subtype of schizophrenia*. Paper presented at the 3rd Biennial Schizophrenia International Research Conference, Florence, Italy. (Citation: *Schizophrenia Research*, 136(S1), 3).
41. Malaspina, D., Hardy, C. J., Goetz, D., Aurejo, N., Silva, H., **Messinger, J. W.**, Antonius, D., & Gonen, O. (2011, May). *Specific neurochemical abnormalities for the rostral anterior cingulate in Schizophrenia*. Paper presented at the 66th annual meeting of the Society for Biological Psychiatry, San Francisco, CA. (Citation: *Biological Psychiatry*, 69(9), 263S).
42. Opler, M., **Messinger, J. W.**, Antonius, D., Kleinhaus, K., Abramovich, E., Lichtenberg, P., Malaspina, D., & Harlap, S. (2011, April). *Duration of marriage and risk of schizophrenia in offspring*. Poster presented at the 13th International Congress on Schizophrenia Research, Colorado Springs, CO. (Citation: *Schizophrenia Bulletin*, 37 (S1), 60).
43. **Messinger, J. W.**, Opler, M., Aujero, N., Antonius, D., Goetz, R., & Malaspina, D. (2011, April). *Factor structure of the Positive and Negative Syndrome Scale (PANSS) differs by sex*. Poster presented at the 13th International Congress on Schizophrenia Research, Colorado Springs, CO. (Citation: *Schizophrenia Bulletin*, 37 (S1), 6).
44. Malaspina, D., Keller, A., **Messinger, J. W.**, Goetz, D., Antonius, D., Harkavy-Friedman, J., Goetz, R., & Harlap, S. (2011, April). *Olfaction and cognition in healthy subjects and schizophrenia: Sex matters*. Poster presented at the 13th International Congress on Schizophrenia Research, Colorado Springs, CO. (Citation: *Schizophrenia Bulletin*, 37 (S1), 219).
45. **Messinger, J. W.**, & Haden, S. C. (2010, July). *Dissociation mediates associations between trauma and aggression*. Poster presented at the 2010 meeting of the International Society for Research on Aggression, Storrs, CT.
46. **Messinger, J. W.**, Ramirez, P. M., Harkavy-Friedman, J., & Malaspina, D. (2010, May). *Sex influences associations between smell identification and negative symptoms in schizophrenia*. Paper presented in the Student Research Award Symposium at the 22nd annual meeting of the Association for Psychological Science, Boston, MA.
47. **Messinger, J. W.**, & Haden, S. C. (2010, March). *Validation of the Curious Experiences Survey (CES) in an urban minority population*. Poster presented at the 2010 meeting of the Eastern Psychological Association, Brooklyn, NY.

48. Malaspina, D., **Messinger, J. W.**, Prudent, V., Mendelsohn, E., & Antonius, D. (2009, March). *Affect in schizophrenia: Implications for DSM 5 and research*. Paper at the 12th International Congress on Schizophrenia Research, San Diego, CA. (Citation: *Schizophrenia Bulletin*, 35(S1), 3).
49. **Messinger, J. W.**, Trémeau, F., Antonius, D., Mendelsohn, E., Prudent, V., & Malaspina, D. (2009, March). *Following in the footsteps of Kraepelin and Bleuler: Evidence for separate dimensions of affective and volitional deficits in DSM-V schizophrenia*. Poster presented at the 99th annual meeting of the American Psychopathological Association, New York, NY.
50. Thompson, J. L., Kelly, M., Printz, D., Kimhy, D., Khan, S., **Walsh, J.**, Harkavy-Friedman, J., Malaspina, D., & Corcoran, C. (2008, May). *Associations between childhood trauma and psychotic-like symptoms among individuals at clinical high risk for psychosis*. Poster presented at the 63rd Annual Meeting of the Society of Biological Psychiatry, Washington, DC. (Citation: *Biological Psychiatry*, 63, 265S).
51. Corcoran, C., Kimhy, D., Stanford, A., Khan, S., **Walsh, J.**, Thompson, J., Schobel, S., Harkavy-Friedman, J., Goetz, R., Colibazzi, T., Cressman, V., & Malaspina, D. (2008, May). *Temporal association of cannabis use with symptoms in individuals at clinical high risk for psychosis*. Poster presented at the 63rd Annual Meeting of the Society of Biological Psychiatry, Washington, DC. (Citation: *Biological Psychiatry*, 63, 127S).
52. Thompson, J., Kelly, M., Printz, D., Kimhy, D., Khan, S., **Walsh, J.**, Harkavy-Friedman, J., Malaspina, D., & Corcoran, C. (2007, October). *Childhood trauma and psychotic-like symptoms among individuals at clinical high risk for psychosis*. Poster presented at the 21st annual meeting for the Society for Research in Psychopathology, Iowa City, IA.
53. Stanford, A. D., Sanchez, Y., MacDonald, J., **Walsh, J.**, Malaspina, D., & Corcoran, C. (2007, May). *Theory of mind deficits in the schizophrenia prodrome*. Poster presented at the 62nd Annual Meeting of the Society of Biological Psychiatry, San Diego, CA. (Citation: *Biological Psychiatry*, 61, S808).
54. Stanford, A. D., Sanchez, Y., MacDonald, J., **Walsh, J.**, Malaspina, D., & Corcoran, C. (2007, March). *Theory of mind performance in individuals prodromal for schizophrenia*. Poster presented at the 11th International Congress on Schizophrenia Research, Colorado Springs, CO. (Citation: *Schizophrenia Bulletin*, 33S, 223-224).
55. Corcoran, C., Kimhy, D., **Walsh, J.**, Khan, S., Schobel, S., Stanford, A., Thompson, J., Malaspina, D., & Lieberman, J. (2006, October). *Temporal association of cannabis use and perceptual disturbances in prodromal patients*. Paper presented at the 5th International Conference on Early Psychosis, Birmingham, United Kingdom.
56. Corcoran, C., & **Walsh, J.** (2006, October). *SPI-A dimensions: Overstrain, stress reactivity, and social functioning in prodromal patients*. Paper presented at the 5th International Conference on Early Psychosis, Birmingham, United Kingdom.

Invited Talks

&Indicates multiple presenters

1. **Walsh-Messinger, J.** (2020, January). *Olfaction as a Window to Affective Dysfunction in the Schizophrenia Spectrum*. Presented at the 2020 Ohio Miami Valley Chapter of the Society for Neuroscience Winter Meeting, Dayton, OH.
2. &Bigelow, K., Jackson, K., Reissman, T., **Walsh-Messinger, J.** (2018, February). *Improving Community Health Outcomes through Cross-Unit Collaboration: The Impact of UD'S STEM Catalyst Program*. University of Dayton Spotlight on Technology, Arts, Research and

Scholarship (STARS), Dayton, OH.

3. **Walsh-Messinger, J.** (2017, September). *What the nose knows: Olfaction and schizophrenia*. University of Dayton Spotlight on Technology, Arts, Research and Scholarship (STARS), Dayton, OH.
4. **Walsh-Messinger, J.** (2013, October). *Examining emotional modulation of attention and memory in schizophrenia*. Dissertation Award Presentation to the Doctoral Program in Clinical Psychology, Long Island University, Brooklyn, NY.

Malaspina, D. (Host). (2014, December 2). Invited guest on Sirius/XM's *Dr. Radio Psychiatry* to discuss impulsive aggression.

Research Mentorship

Master's Thesis Chair

- | | |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2018 – Present | Sahar Kaouk, University of Dayton
Sex differences in the effects of affect and stress on olfactory functioning |
| 2017 – Present | Michael Alex Lee, University of Dayton
Smelling how to feel: Does ambient odor affect how we evaluate affective stimuli?
<i>2018 University of Dayton Graduate Student Summer Fellowship award: \$5,500</i> |
| 2015 – Present | Russell Mach, University of Dayton
Screening with smell: Anhedonia, affect, and depressed mood in university undergraduates
<i>2016 University of Dayton Graduate Student Summer Fellowship award: \$5,500</i> |
| 2015 – 2017 | Rhiannon Gibbs, University of Dayton
The effect of depersonalization and derealization symptoms on olfaction and olfactory hedonics |

Master's Thesis Committee Member

- | | |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2018 – 2019 | Cassandra Hartman, University of Dayton
<i>Perceived peer norms, health beliefs, and their links to sexual risk behavior among college students</i> |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|

2016 – 2018 Ashley Harrison, Master's Thesis, University of Dayton
An investigation into bullying and cyberbullying: The effects of anonymity and form of bullying on severity of victim impact

Honors Thesis Advisor

2016 – 2018 Maia McLin, University of Dayton
Olfaction and disgust as predictors of elevated perfectionism
University of Dayton Honors Program award: \$500

2016 – 2018 Lauren Olson, Honors Thesis (completed April 2018), University of Dayton
The effects of anxiety induction on olfactory function in healthy young adults
University of Dayton Honors Program award: \$484

2016 – 2018 Lisa Stone, Honors Thesis (completed April 2018), University of Dayton
Do normative and pathological personality traits overlap? Exploratory and confirmatory factor analyses of the NEO-PI-3 and PID-5
University of Dayton Honors Program award: \$684
University of Dayton Stander Research Fellowship: \$1,200

Other Research Mentorship

2019 – Present Madison Degnan, independent research project, University of Dayton

2019 – Present Ariana Rueda, independent research project, University of Dayton

2018 – 2019 Brooke Lipnos, Dean's Summer Fellowship research project, University of Dayton

Summer 2016 Lisa Stone, Berry Summer Thesis Institute, University of Dayton

2013 – 2015 Sarah Fendrich, INTEL Science Student Research Project, Ossining High School

Teaching Experience

(Instructor of record unless noted)

University of Dayton

Undergraduate Courses

PSY 363: Abnormal Psychology (Spring 2017, Fall 2018, Summer 2019 [Study Abroad in Berlin])

PSY 363H: Honors Abnormal Psychology (Spring 2017)

PSY 431: Interviewing and Counseling (Fall 2015, Spring 2016, Fall 2016, Fall 2017, Spring 2018, Spring 2019, Fall 2019)

PSY 431H: Honors Interviewing and Counseling (Spring 2019)

Graduate Courses

PSY 551: Assessment of Intelligence (Spring 2016, Spring 2017, Spring 2018, Spring 2019)

PSY 565: Ethical and Cultural Issues in Clinical Assessment and Psychotherapy (Fall 2015, Fall 2016, Fall 2017, Fall 2018, Fall 2019)

Long Island University

Undergraduate Courses

PSY 107: Developmental Psychology (Fall 2011)

PSY 3: Introduction to Psychology (Summer 2011)

Graduate Courses

PSY 606: Statistics in Psychology I (Fall 2010, Fall 2011), Teaching Assistant

PSY 706: Statistics in Psychology II (Spring 2011, Fall 2012), Teaching Assistant

Teaching Support

2016 University of Dayton Integrated Ethics Leadership Grant
Development of a Diversity Module for Interviewing & Counseling (PSY 431)
\$1,000

Licensure and Credentialing

2018 – Present Licensed Psychologist in Ohio (License #07720)

2015 – Present Credentialed by the National Register of Health Service Psychologists

2014 – Present Licensed Psychologist in New York (License #020916)

Clinical Supervision Experience

2014 – 2015 **Psychological Services Center**

Department of Psychology, Long Island University, Brooklyn, NY

- Coordinated all aspects of psychological testing and assessment training for the clinical psychology doctoral program training clinic
- Served as the direct cognitive and personality testing supervisor for four doctoral students
- Supervised three advanced doctoral student testing supervisors
- Taught didactic seminars on specialized topics related to psychological assessment

2013 – 2015 **Mood and Personality Disorders Research Program**

Department of Psychiatry, Icahn School of Medicine at Mount Sinai

- Provided assessment supervision to doctoral student clinical raters and research assistants.

Clinical Training and Experience

2013 – 2015 **Post-doctoral Fellow**

Mental Illness Research, Education, and Clinical Center, James J Peters VA Medical Center, Bronx, NY & the Mood and Personality Disorders Research Program, Icahn School of Medicine at Mount Sinai, New York, NY
Training Director: Margaret M. McClure, Ph.D.

Supervisors: David Banthin, Ph.D. & Fiona Graff, Psy.D.

- Provided outpatient psychodynamic and cognitive-behavioral psychotherapy to veterans with serious and persistent mental illness.
- Conducted structured diagnostic assessments with veteran and non-veteran research participants for research studies on psychosis, personality disorders, and treatment for high-risk suicide.

2012 – 2013

Clinical Fellow

Department of Psychiatry, Massachusetts General Hospital, Boston, MA

Training Director: Sheila O’Keefe, Ed.D.

Supervisors: Mark A. Blais, Psy.D., Samuel Justin Sinclair, Ph.D., Rebecca Harley, Ph.D., Amy Sweigenberg, Psy.D., & Jennifer Thomas, Ph.D.

- Provided cognitive, personality, and neuropsychological testing for adult psychiatric and medical patients on the inpatient psychiatric unit and through the Consultation-Liaison and Cardiac Transplant Services.
- Conducted acute psychological evaluations through the Emergency Department.
- Provided outpatient cognitive-behavioral and psychodynamic psychotherapy for adults with relationship difficulties, chronic medical illness, and mood, personality, and eating disorders.
- Participated in psychometric, assessment, and clinical outcomes research through the Psychological Evaluation and Research Laboratory (PEaRL).

2011 – 2012

Psychology Extern

Postdoctoral Program in Psychotherapy and Psychoanalysis, New York University
New York, NY

Training Director: Spyros Orfanos, Ph.D.

Supervisors: Paul H. Feinberg, Ph.D. & Harold B. Davis, Ph.D.

- Provided psychodynamic psychotherapy for adults.
- Attended weekly seminar on psychodynamic psychotherapy and monthly case presentations by analytic candidates.

2009 – 2012

Psychology Trainee

Long Island University Psychological Services Center, Brooklyn, NY

Supervisors: Nicholas Papouchis, Ph.D., Jessica Arenella, Ph.D., & Belinda Bellet, Ph.D.

- Provided weekly and twice-weekly outpatient integrative psychodynamic psychotherapy for young adults.
- Conducted weekly intake evaluations and cognitive and personality testing as needed.

2010 – 2011

Psychology Extern

Nassau University Medical Center, East Meadow, NY

Supervisors: Sally Ann Graham, Ph.D., Nicholas Forlenza, Ph.D., & Lynn Schaefer, Ph.D., ABPP

- Provided inpatient and outpatient individual psychodynamic and cognitive-behavioral therapy for children and adolescents. Provided weekly/monthly parent guidance sessions.
- Conducted outpatient intake evaluations with children and their families. Co-facilitated adolescent inpatient coping-skills group.
- Conducted inpatient and outpatient cognitive, personality, and achievement testing with children, adolescents, and adult psychiatric patients.
- Conducted outpatient neuropsychological testing for individuals with traumatic brain injury, stroke, dementia, and seizure disorders.

2008 – 2009

Psychology Extern

Beth Israel Medical Center, New York, NY

Supervisors: Michael Friedmann, Ph.D. & Catherine Eubanks-Carter, Ph.D.

- Facilitated art therapy group and co-facilitated relationship process group on adult psychiatric inpatient unit.
- Conducted structured diagnostic assessment of research participants with mood and personality disorders for the Brief Psychotherapy Research Program.
- Attended seminar on cognitive-behavioral therapy.
- Coded therapy session videotapes for adherence to cognitive-behavioral, brief-dynamic, and transference-focused psychotherapy.

2005 – 2006

Counseling Intern

MetroWest Medical Center, Natick, MA

Supervisor: Patrick Rice, M.A., L.M.H.C.

- Conducted acute psychological evaluations through the Emergency Department and the Psychiatry Consultation-Liaison Service.
- Provided outpatient supportive psychotherapy for one adolescent male with major depression.

2004 – 2006

Mental Health Counselor

Adolescent Inpatient Units A & B

Department of Psychiatry, UMASS School of Medicine and Westborough State Hospital

Supervisor: Paul Champlin, L.M.H.C.

Service

Departmental Service

2019 – Present

Member, Faculty Affairs Committee

Department of Psychology, University of Dayton

2017

Member, Clinical Psychology Search Committee

Department of Psychology, University of Dayton

2017 – Present

Coordinator, Graduate Student Orientation

Department of Psychology, University of Dayton

- 2017 – Present **Member, Research Review Ethics Committee (RREC)**
Department of Psychology, University of Dayton
- 2016 **Member, Clinical Psychology Lecturer Search Committee**
Department of Psychology, University of Dayton
- 2016 – Present **Member, Clinical Program Admissions Committee**
Department of Psychology, University of Dayton
- 2016 – Present **Member, Study Abroad Committee**
Department of Psychology, University of Dayton
- 2016 **Member, College Mental Health Strategic Planning Subcommittee**
Department of Psychiatry, Boonshoft School of Medicine, Wright State University
- 2016 **Member, Psychosis and Mood Disorders Strategic Planning Subcommittee**
Department of Psychiatry, Boonshoft School of Medicine, Wright State University
- 2015 – Present **Member, Marketing Committee**
Department of Psychology, University of Dayton
- 2015 – Present **Member, Clinical Program Curriculum Committee**
Department of Psychology, University of Dayton

College Service

- 2018 – 2019 **Site Coordinator, Psychology Summer Study Abroad in Berlin**
Study Abroad Program, University of Dayton
- 2016 **External Member, Social Work Search Committee**
Department of Sociology, Anthropology, and Social Work, University of Dayton

University Service

- 2017 – Present **Member, Institutional Review Board (IRB)**
University of Dayton

Editorial Service

- Ad-Hoc Reviewer: *Assessment*
Journal of Biological Regulators and Homeostatic Agents
Journal of Clinical Psychiatry
Journal of Depression & Anxiety
Journal of Forensic Psychiatry and Psychology
